

LEADING THE WAY TO OPTIMUM HEALTH™

POLY Plus is a mineral, vitamin and amino acid complex formulated for professional use.

Directions for use: As a dietary supplement for adults take 1/2 teaspoon daily. For maximum support take up to eight teaspoons daily or as directed by your health care professional. Shake well before using. May mix with water or juice. Store in cool dry place or refrigerate after opening. The use of nicotine may reduce the effectiveness of this product.

CAUTION: As with any dietary supplement, seek advice from a health care practitioner prior to use if you are pregnant, nursing or if you have any medical conditions.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
