Tribulus herb (aerial parts) 12.5:1 extract from Tribulus terrestris herb (aerial parts) 9.0 g	725 mg	†
Containing furostanol saponins as protodioscin 100 mg		
† Daily Value (DV) not established.		

Other Ingredients: Cellulose, calcium acid phosphate, sodium starch glycolate, hypromellose, silica and magnesium stearate

Tribulus

Recommended For: Increasing Testosterone Levels

Tribulus contains an extract of Tribulus terrestris herb (aerial parts - leaves and stems) and contains steroidal saponins, mainly furostanol glycosides (including protodioscin and protogracillin) and small quantities of spirostanol glycosides, sterols and other compounds. This product is standardized to contain 100 mg per tablet of furostanol saponins to ensure optimal strength and quality. The compounds in Tribulus work together to:

- support normal reproductive function in men and women.
- support normal hormone production in men and women.
- promote vitality and stamina.
- support physical endurance.
- promote an overall feeling of well-being.

Caution: Not to be used during pregnancy and lactation unless otherwise directed by a qualified health care professional.
